Election Procedures
For Board Members

Attention owners!! The 2010 elections are just around the corner!

The following procedure was established by the Board of Directors at the June 21, 2005 meeting for the election of homeowner Board members.

One Director Position is open for this election. Current Director Jean-Marc Edier was elected in 2008 to a two-year term. Therefore, we need interested owners to toss their hat(s) into the ring for the 2010 election at Stone Ridge!

The following procedures will be followed:

Declaration of Candidacy

- Solicit candidates via the newsletter and SRNet at least 30 days prior to the annual meeting.
- Candidates for the Board of Directors must declare their intent to run, in writing, no later than 5 p.m. on the date specified with the submission of a half page, single-spaced typed resume/biography to the Association office stating their intent to run.
- In conjunction with the written declaration to run, Candidates for the Board of Directors must complete a petition form with at least 3 signatures and return the petition to the Association office.
- Nominations from the floor may be accepted pursuant to Section 3.5(b) of the Bylaws.

Ballot Format

- Candidates’ names will be placed on the ballot in alphabetical order.
- Ballots will be printed on one sheet. Copies of the biographies will be included with the ballot.
- Each ballot will include name, signature, address, and a statement that it is only valid if signed. A space will be provided for the voter’s signature.

Ballot Distribution

- Ballots will be mailed to the owner address of record with the Association and will be distributed only to owners in good standing.
- One ballot will be allowed for each vote. If the ownership of a lot/unit is in the name of more than one (1) person, owners must agree and cast the one vote allowed for each lot/unit.

Ballot Return

- Upon receipt of ballots by mail, ballots may be cast until the opening of the Annual Meeting by mail or hand-delivered to the Association office. Votes may also be cast at the Annual Meeting.
- Winning candidate will be announced at the Annual Meeting.

How to Become A Candidate

The Board of Directors is comprised of members serving three-year terms. To be eligible to serve as a Director, you must be an owner and have no outstanding architectural violations or delinquent assessments.

To declare your candidacy, return the Director Petition form along with a short (half page single-spaced) biographical sketch to the Association office. The following questions may serve as a guideline:

How long have you lived in Stone Ridge?
What attracted you to this community?
What previous volunteer or work-related experience/skills do you have that could be beneficial in the role of a Director?
What goals do you have for the community in the next three years?

Candidate petitions for the Board of Directors are provided on the right and also at the Association office. The deadline to submit a petition and to have your biographical sketch included in the November issue of Etched in Stone is 5 pm, Monday, October 18, 2010.

FAQs from the Loudoun County Public Library website (www.library.loudoun.gov).

Why is Loudoun County Public Library going to start charging late fines?
During the FY11 budget process, overdue fines were instituted by the Board of Trustees and the Board of Supervisors in order to prevent, to the extent possible, reductions in library services.

When will Loudoun County Public Library begin charging fines? October 5, 2010.

What is the fine amount? 10 cents per day, per item. The maximum fine per item is $5. An unpaid fine of $10 or more will block the library card so that no more items can be checked out or renewed.

If my items are overdue before October 5, 2010, will I be charged on October 5, 2010 for these overdue items? Yes. You will be charged a fine for every item that is overdue. When fines are introduced on October 5, 2010, payment will be due on every overdue item.

Will the checkout/borrowing period remain the same? Yes. The borrowing period will remain two weeks for all items.

Where do I pay the late fine? Late fines may be paid online or using the payment kiosk in any branch. Online payments are made using Visa, MasterCard or Discover credit cards only. Kiosk payments will accept cash and Visa, MasterCard and Discover credit cards.

Will late fines be retroactive from the start date of October 5, 2010? Yes. Payment is due for all overdue items on October 5, 2010. Late fines will be calculated based on the first day the item is overdue and will accumulate every day until the $5 per item maximum has been met.

Do I have to pay my late fine at the same library where I checked out the item? No. Late fines may be paid at any payment kiosk or online at www.library.loudoun.gov.

How long will it take to remove the block on my library card after the late fine has been paid? When the payment transaction has been completed, the block on the library card will be removed immediately.

Are there exceptions for children, seniors, or families? No. Unfortunately, there are no exceptions.

Will there be a grace period to transition to charging late fines? No. Unfortunately, there will not be any grace period.

Will there be any amnesty days to return overdue items? No. Unfortunately, there will not be any amnesty days. Late fines will be charged beginning October 5, 2010 for every overdue item.

The application and review process is truly very simple and straightforward. The goal of the Architectural Review Committee is two-fold. First, members help each homeowner through the application review process for successful improvements on the property and home. Second, to accomplish this and to maintain the integrity of Stone Ridge, members must ensure each project complies with the Design and Maintenance Standards. Staff is available to aid in completing the application form, so if you have any questions please don’t hesitate to call the Association office.

The Cut Continues

Fall is here! Soon we will be enjoying the vast array of color displayed by all the beautiful fall foliage. As well as raking leaves, we need to remember that lawn mowing continues well into the fall season. Please continue to mow and trim your lawns and remove any dead plantings, bushes or trees. Fall is lawn fertilization time as well. Fertilize now to help your lawn come to life in the Spring.

Community Code No. 5 – ‘Yard and Lawn Maintenance’, paragraph I, A. states: “Members and residents shall ensure that any grass lawns on their Lots, including in the back of the residence, are regularly mowed so as to keep a neat appearance of the lawn and Lot. Grass height shall not exceed 6 inches. Driveways and sidewalks shall be swept clear of grass clippings. Members and residents are responsible for maintaining the health and good appearance of lawns on their Lots, which may include seeding, watering, weed removal and edging and other tasks, as required to properly maintain lawns.”

ARC Meeting Schedule

ARC Meeting Schedule for the remainder of 2010:

October 13th
November 10th
December 8th

After reviewing the meeting schedules, committee members determined two meetings per month were not needed during the winter. Most application activity occurred in the spring and summer. Therefore, at the April 14th committee members forwarded their recommendation to modify committee meeting dates to one (1) meeting a month for the months of October through March to the Board of Directors. The two (2) meetings per month would remain for April through September.

Lot Inspections

Staff will be conducting lot inspections in Section 4 in October.

(Natural Bridge Pl., Bear Tooth Dr., Pepperbush Pl. and High Plateau Ct.)

We will be inspecting each lot to make sure that the home is in compliance according to Community Code No. 1, Design and Maintenance Standards. Such items include: making sure there are approved applications on file for any modifications, grass is mowed, shutters are in tact, no dead trees on property, etc.

Plan Your Applications

Please review the Design and Maintenance Standards for details on your specific improvement. Applications that are not complete will be returned to the applicant. Please, avoid any delays and take the time to provide all the necessary materials!

Renting A Home In Stone Ridge?

First of all, welcome! We know you’ll love Stone Ridge as much as we do! Secondly, stop by the Association office at your convenience and pick up a Memorandum of Lease (or download the form from the SRNet, in the documents library). Have your landlord fill it out, fill out your portion, sign it, and then bring it back in and we will issue your Stone Ridge Membership ID Cards. Be sure to have your landlord check the box which waives his/her rights to use the Community facilities (pools, etc.). These rights are then transferred to you, as the tenant. Please contact the Association office if you have any questions or concerns at 703-327-5179 or check us out on www.stoneridge-hoa.com.

Community Spirit

If your section of Stone Ridge is planning on having picnics, block parties, holiday gatherings, etc., please let the Stone Ridge office know! Also, we will be happy to publish your article and photos in an upcoming issue of *Etched In Stone*. Please take lots of pictures and send the best to be included with your article. Send articles and photos to stoneridge-hoa@stoneridgeinc.org and be sure to mark it ‘For publication in the EIS’.

Vendor Solicitation

If you receive flyers and other advertisements at your residence, there is no zoning ordinance that governs solicitors. Legally, solicitors are able to leave flyers as a form of advertisement at the homes of Stone Ridge residents. As a result, there is little than can be done to stop solicitors. Solicitors do not need a permit in order to leave flyers at the doorsteps of homes. However, if a solicitor is knocking on a resident’s door in order to sell them something, they must have a soliciting license.

Going Green

Improve Loudoun County’s Recycling Rate

Loudoun County is required to demonstrate that it meets a 25% recycling rate through an annual report to the Commonwealth of Virginia. For the past five years, Loudoun County has been hovering at less than 30%. This rate is lower than most of our neighboring jurisdictions and is lower than the 2008 state average of 38%. According to U.S. EPA estimates over 50% of our waste is bottles, paper, cans, and yard waste, all materials that can be recycled. Loudoun County can improve the recycling rate with your help!

Here are a few helpful ways you can improve Loudoun’s recycling rate:

1. Utilize your curbside recycling program by recycling cans, glass, office paper, newspaper, cardboard, paperboard, junk mail, plastic bottles & jugs (1-7) and wide mouth plastic containers. Questions about curbside recycling can be directed to American Disposal at 703-368-0500.
2. Recycle your electronics! Electronics are made up of valuable resources such as precious metals, plastics, glass, steel, and other materials. There are many different local electronics recycling opportunities in Loudoun County. Learn more at www.loudoun.gov/electronics.
3. Recycle items such as motor oil, antifreeze, lead acid/car batteries, propane cylinders, scrap metal, appliances, tires, and yard waste at the Loudoun County landfill all year round. Fees apply to all items accepted motor oil, antifreeze, and lead acid batteries. Visit www.loudoun.gov/landfill for more information.
4. Recycle your fluorescent bulbs and household batteries at Household Hazardous Waste Events. To view a schedule and complete list of items accepted at events, visit www.loudoun.gov/hhw.

How To Go Green In The Fall

• Buy eco-friendly school and office products. Look for items made of recycled materials, such as pencils made from recycled newspapers. You’ll find a range of green products on the market today for school use like recycled bags and paper.

• Compost fallen leaves, organic materials from gutters and carved pumpkins. You’ll keep these items out of the garbage and get material to use on your lawn or garden next spring. Compost is a more natural choice for mulches and fertilizers as well.

• Clean and store summer equipment before it becomes damaged in the snow and cold. Keeping equipment in better shape helps it to last longer, which will keep it out of the landfill. Garden tools, kids’ outdoor toys and screens can often be stored away from the winter elements.

• Walk with your kids to school. If you live close enough, make a daily habit of walking to school rather than using the car. You can also talk to school officials about having school buses turn off their engines while they are waiting for the children to load.

Have A Green Halloween

Halloween Party Prep

When planning for the annual Halloween party, decide to incorporate sustainable living options into purchasing decisions. Organize and look through decorations from years past that are good to re-purpose and re-use. Also, consider swapping pieces of décor with friends and family so the decorations feel fresh and new.

For the actual party, decide to use reusable dinnerware that guests won’t mind tossing in the sink for wash and re-use later. Not only will this save money from purchasing new dinnerware year after year, it is also a greener option.

When it comes time to make the annual Halloween pumpkin and harvest décor purchases, check out these items at local farmers markets to support local distribution and consumption. Pumpkins are not just for Halloween, either, so think about re-using the non-carved pumpkins for fall decorations all the way to Thanksgiving.

Time to Trick-or-Treat

Candy is pretty much an expectation of kids and adults alike at Halloween. However, the amount of countless plastic wrappers and packaging is a nightmare of the spookiest kind. Instead of buying individually packaged candy with a ton of wrappers that will only end up causing waste in a landfill, choose candy with minimal packaging. Look for items that come in bulk or have paper instead of plastic wrappers.

Along with giving out candy, or as a substitute for candy, choose to give out packets of seeds for growing flowers and other plants. Kids will be able to literally make the Earth a little greener with seed packets as a replacement or alongside the traditional candy handouts.

Funky, fun and scary outfits are also an expectation at Halloween, especially with kids. Choose to re-use costumes from years past or use household items and cloth to make costumes for the kids. Get creative and use things around the house to come up with something ghoulish and fun.

When the kids are all dressed and ready to trick-or-treat, instead of giving them
the traditional plastic containers or plastic bags, use re-usable canvas bags that have Halloween themes printed on them. Plain canvas bags can also be purchased from arts and crafts stores to allow kids to draw on the bags or make their own personalized touches to them to use for trick-or-treating.

**Dump the Driving**

Instead of driving all over town to transport trick-or-treaters, take the kids to a group gathering where they can get their candy and fun in one spot. Also, families can say “no” to the car altogether and choose just to walk around within their own neighborhood. This is not only a great way for families to save on a little extra driving, but it’s also a good way to get to know neighbors.

**Happy Green Halloween**

The important thing to remember is to enjoy Halloween for all of its celebratory possibilities. Making it a safe, fun holiday while keeping in mind some important green living decisions can ensure a bright and happy green Halloween.

**Landsdowne Gala To Benefit Abused Women**

The Loudoun Abused Women’s Shelter (LAWS) is in critical need of a new shelter. LAWS is the only organization in Loudoun County dedicated to victims of domestic violence and sexual assault. Yet LAWS is currently housed in an aging 12-bed facility, forcing them to turn away one in every three women who come to them for help. The annual LAWS Gala is their largest fundraiser by far, set for October 16th at the Lansdowne Resort. The evening’s entertainment includes jazz pianist Gregg Karukas and premier Washington, DC dance band, Diamond Alley. For more information and to buy tickets, visit www.lawsraisetheroof.com.

**Close To Home**

On October 16th, 2010, 35,000 spectators will gather at Great Meadow near The Plains, Virginia, to celebrate the 73rd running of the International Gold Cup Races. This event will provide a full day of entertainment including nationally sanctioned horse races, terrier races, and tailgate contest.

**What’s Going on off Gum Spring Road?**

Richmond America owns the property which stretches along Gum Springs and abuts Natural Bridge. Inquiries about this development project should be directed to Richmond America at 703-390-0943.

**Virginia’s Gold Cup**

On October 16th, 2010, 35,000 spectators will gather at Great Meadow near The Plains, Virginia, to celebrate the 73rd running of the International Gold Cup Races. This event will provide a full day of entertainment including nationally sanctioned horse races, terrier races, and tailgate contest.

**Internal Gold Cup Races History - A rich history of international involvement characterizes the International Gold Cup Races, the highlight of the fall steeplechase season. The International Gold Cup itself, Great Meadow in The Plains, Virginia, has had a long and interesting journey en route to its present home.**

The first International Gold Cup was held in 1930 at Grasslands Downs in Tennessee over a 4½ mile brush course, similar to the English Grand National course at Aintree.

That year, the King of Spain, Alfonso XIII, then one of the world’s most gallant riders and sportmen, placed the spectacularly beautiful gold trophy in competition which is still awarded annually to the winner. After the Tennessee race meet ended in 1932, the event was moved to the Rolling Rock Hunt Meet course in Pennsylvania, a course built by General Richard King Mellon, who had won the 1931 race in Tennessee. Race was again relocated after the 1983 running to the Great Meadow racecourse after the Rolling Rock Hunt Meet’s racecourse fell victim to the land development.

On October 20, 1984, before a crowd of 8,500 with some 80 horses on a seven-race card the International Gold Cup started a new chapter. In keeping with Virginia’s tradition of being the nation’s leader of timber racing, the International Gold Cup became a timber race. In 1989, the International Gold Cup race was awarded stakes designation by the National Steeplechase Association.

**The Horse Of The Century - Saluter, The All Time Gold Cup Champion**

The undisputed greatest horse in the long history of the Virginia Gold and International Cup has been Mr. & Mrs. Henry Stern’s big bay gelding, Saluter. His race record includes six wins of the Virginia Gold Cup and two wins of the International Gold Cup.

Saluter’s win record also includes the Virginia Gold Cup race’s fastest time at 8:27 over the 4 mile course in 1995 and the honor of retiring the seventh Gold Cup trophy after his five consecutive Gold Cup win. Then returned shocking the crowds in 1999 at 11 years old, Saluter returned to win his sixth straight Virginia Gold Cup, making Jack Fisher the all time top winning rider with nine wins of the Virginia Gold Cup.

Along the way Saluter swept the 1997 first running of the World Timber Championship by winning both the Virginia Gold Cup and Marlborough Cup in England. Saluter’s course record for the Gold Cup stood for 11 years until 2006 when Kinross Farm’s Miles Ahead’s time of 8:19 shaved 8 seconds off of his previous record time.

The Back to School Night was a success with approximately 200 residents enjoying a fun evening with Bach to Rock on Saturday, September 25th. Vocelli’s was on hand selling pizza and Mug’n Muffin came with strawberry and banana smoothies on hand! Four bands played throughout the evening including two kid bands, a mom band and a teacher band. Bach to Rock asked residents who wanted to sing a Taylor Swift song if they would like to come on stage to sing. One Stone Ridge child and two moms performed the song with Bach to Rock backing them up.

Thanks to the Activities Committee for hosting the Back to School event in the Amphitheatre!

Description
Join us for the fifth annual Stone Ridge 5K Race for Education. The 5K starts at 9 am with the Fun Run family event. The race has abundant prizes, 5 year age groups, disposable ChronoTrack D-tag timing, and a flat, fast course to make this event perfect for everyone. Join us as we raise money for the Dulles South area schools.

Special Coach Eric Olsen Scholarship
Stone Ridge 5K presents its second annual Coach Eric Olsen scholarship award to a graduating senior at Freedom High School in honor of Eric’s dedication to his students, lacrosse, and cross country athletes. His presence and leadership in the school and community continue to be missed.

Charity Beneficiary
This event is designed to benefit education in the local elementary and middle schools. The Loudoun County school system has added 3,000 students per year for the last ten years, and as new schools including Buffalo Trail ES have opened in the Dulles South area infrastructure needs often must wait for funding to catch up. We hope to engage your support for a great activity for a very worthwhile cause as we help supplement the environment for our children’s future.

Sign Up For An 5K Online Training Plan
The Stone Ridge 5K has teamed up with ActiveTrainer coaches to provide training plans specifically for this race. These plans are designed for athletes of ALL levels, from the first-timer all the way up to the most experienced athlete. Included with your training plan is an online calendar, reporting tools, training calculators, maps, daily emails, and much more!

Awards
Awards will be given to the top three overall males and females, and the first three male and female finishers in the following age groups: 9 and under, 10-11, 12-14, 15-19, 20-24, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65 and over.

Certified 5K Course
A new race course has been developed for 2010. See the race map on the adjacent page. The course is a loop through the Stone Ridge community with the start and finish in the same places as before.

Fun Run
The children’s fun run will start at the 5K start/finish line at 8:30 am. The kids receive a t-shirt and a medal when they finish. Register early and save as the fee increases to $15 on Thursday, October 14.

School Contest – Stone Ridge 5K Cup
There is a contest between the participating schools in which the school with the biggest percentage turnout for the 5K and fun run wins the Stone Ridge 5K Cup, a traveling trophy, a small cash award, and bragging rights. Get everyone at your school to join the fun! Past winners are Pinebrook ES, Arcola ES, and Liberty ES.

ChronoTrack Timing and Scoring
Transponder timing operated by Capital Running Company will be used to score the 5K race. The system uses a computer tag which must be tied to each runner’s shoelaces and records the exact time a runner crosses the starting line and the finish line, resulting in a net time for each runner. The D-tag is disposable. Overall awards will be based upon clock time and age group awards will be based upon transponder times.

Picking Up For Your Friends And Family
We do allow runners to pick up bibs and t-shirts for their friends. Please note that t-shirts cannot be mailed. You will not need to show us your ID or copies of their ID to pick up for them.
