By submission of this application, I understand and agree to the following:

This modification may require a County building permit or may be subject to other governmental regulations. I agree to obtain all required city/county approvals. Miss Utility will be contacted prior to the commencement of any construction. Approval of this application satisfies only the requirements of the Association and not any obligations to the County or others as may be required.

I assume full responsibility for all landscaping, grading and/or drainage issues related to the improvements, including applicable replacing bonds or escrows posted by the Developer/Builder currently in place affecting the lot. All work associated with the project will be completed within the property lines. Any damage to adjoining property, including common areas or injury to third party persons associated with the improvement will become the direct responsibility of the owner making the modification.

No work on this proposal will commence until I have received written approval from the Association. To do so is a violation of the Covenants of the Association and may result in my being required to remove an unapproved modification and restore my property to its original condition at my own expense if this application is disapproved. I also understand I may be held responsible for any legal fees incurred on behalf of the Association in enforcing this provision. **A \$50 application fee is required for each project started or completed before receiving written approval, effective for all applications dated October 1, 2014 and after.**

An approval is contingent upon the construction being completed in a timely, professional and workmanlike manner as per the specifications as submitted in this application.

The management agency or ARC of the Association may enter upon my property to make a routine inspection. That there are architectural requirements addressed in the Declaration and Design and Maintenance Standards and a review process as established by the Board of Directors and may be amended from time to time.

The approval authority granted by the Association, if so granted, will automatically expire should the proposed project not be commenced within 30 days of the approval or completed within 12 months of the approval per Article VII, Section 7.11.

Variation from the original application in any way must be submitted in writing for approval of the Association.
